OUR TECHNOLOGY-BASED TREATMENTS

CRYOTHERAPY

ACCELERATED WEIGHT LOSS – RECOVERY FROM EXERCISE – ELIMINATION OF EXCESS WATER

Cryotherapy is a technology-based treatment that involves creating a thermal shock through exposure to cold temperatures to trigger the elimination of fat, reduce inflammation, and boost blood flow.

RADIOFREQUENCY (INDIBA)

RECOVERY FROM EXERCISE – LYMPHATIC DRAINAGE – FIRMNESS – SLIMMING

INDIBA technology makes it possible to activate cells by generating heat.

It is used by sports doctors and fitness trainers to support high-level athletes, and stimulates collagen production.

PRESSOTHERAPY

ACTIVE RECOVERY FROM EXERCISE – VENOUS RETURN – WATER RETENTION

Pressotherapy technology relieves heaviness in the legs and improves blood circulation through a procedure that promotes lymphatic drainage.

LED LIGHT THERAPY

STIMULATION OF COLLAGEN PRODUCTION – MUSCULAR RELAXATION – SKIN PROBLEMS

This non-invasive technology is based on photomodulation therapy, using three colors of light.

BOOKING A TREATMENT

For all treatment bookings, you will be asked to provide a credit card number as security. Hotel guests can book a treatment directly using the same credit card number that was used to pay for their initial booking. If you are not staying at the hotel, you will be asked to pay the full price of the treatment when you book your appointment.

CANCELLATION POLICY

Failure to notify us of your cancellation 24 hours prior to your appointment will result in the full price of the treatment being charged to the credit card used to make the booking. If you notify us of your cancellation at least 24 hours before the appointment, you will be refunded in full.

LATE ARRIVALS

Please make sure that you arrive 15 minutes before the start of your treatment, so you have time to fill in the treatment questionnaire, choose your massage oil, and get changed. Should you arrive late, the length of the treatment may be shortened in order to accommodate the appointments that follow.

For your comfort, you will be provided with bath towels, a bathrobe and slippers. Swimwear must be worn in the Shape Club. Anyone who wishes to access the fitness rooms is required to wear clean sports clothes and shoes.

PETS

For safety reasons, we only offer mom-to-be treatments for women who are at least three months pregnant. We reserve the right to refuse a treatment to women in the first three months of their pregnancy.

LOST OR DAMAGED PERSONAL ITEMS

We accept no responsibility for lost or damaged personal items. If you are a guest at the hotel, we recommend that you keep any valuables in the safe in your room. Alternatively, you can place them in one of the lockers in the changing rooms, which have code locks. The hotel management reserves the right to open lockers that are still shut at the end of the day, and remove any items inside. Lockers are not assigned to specific individuals.
